AMI SeCo (T2S AG role) to provide input to European Post Trade Forum (EPTF) Report consultation (Q2 2017)

AMI SeCo will review the EPTF report prior to consultation (March 2017)

No need for AMI SeCo input to CMU mid-term review. Conflict of Law and Withholding Tax initiative (plus EPTF barriers) cover all relevant post trade issues

2 2017 deliverables

3 2018 tasks

HSG to continue with the T2S harmonisation agenda in 2018:

- *definition gaps will most probably remain in the priority 2 (regulatory/legal);*
- *monitoring needs for non-migrated markets or non-compliant red markets;*
- *maintaining and/or updating the standards, clarifications and detailed analysis following T2S migration.*
- *exact format of deliverables/publications to be re-assessed*
