Requestor Category: CSD		Status: Rejected by Change Review Group

Reason for change and expected benefits/business motivation:

- 1) Clarify development needs to adapt our systems and get a right cost estimation for the project.
- 2) Prevents any regulatory problems.

Description of requested change:

Business Continuity Procedures are the business rules to implement in case of interruption, disruption or delay in the T2S operational day.

No information is available at the moment on BCP procedures. So, we can't evaluate the impacts on this scope.

This CR requests ECB to produce a document on the topic on second part of the year 2012.

Waiting for the ECB "Manuel of procedures" to know what are the business rules to implement in case of interruption, disruption or delay in the T2S operational day.
